

TOP 5 REASONS WHY LATINOS VOTE CONSERVATIVE:

1 RELIGION
It's a big part of our heritage. Conservative policies work to preserve our freedom of religion.

2 PRO-LIFE
We believe God created us within the womb and that God knows us by name before birth. Democrat policies fund the murder of innocent life.

3 BUSINESS BUILDERS
We create wealth with our own hard work to support our families. Democrat policies raise taxes that make it hard to keep up.

4 SELF-DEFENSE
We believe in our God given, constitutionally protected right to gun ownership to protect our families. Gun control laws disproportionately impact minorities.

5 FREEDOM
Individual freedom is unique to America. The democratic socialist policies make this country more like the ones we fled from
